On-site visits optional

Fictional example · Preproduction

€600 more.

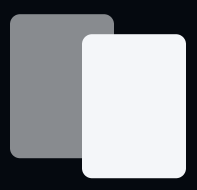

And on-site visits become optional.

“Included” → “Optional”

The price of that option is missing.

A clear answer still deserves a closer look.

Which document? Which version?

What has changed?

What still needs checking?

We’re developing *Chronos Systemic* to help you keep

sources,

document versions,

differences

and open questions

in view before you act.

Proprietary software in preproduction
You make the decision · 5/6
